Thank You for Supporting Healthy Homes!

We are amazed every year by the support of our community. And this year was no different! During a year in which many faced hardships, the generous nature of our community is still strong. Annually CAPS asks churches, service groups, and individuals to help replenish items that are needed by many families throughout the year. This year we received items and cash donations valued at over \$7,000.

These items and donations are used to help children and families in various ways. It may be a baby bottle for new parents, a sippy cup and blanket for a child going to Crisis Care, or a new toy for a baby mastering his fine motor skills. Your donation makes a difference.

Thank you for your kindness!

Additional ways to give to CAPS:

- Amazon Smile—Designate CAPS as your charitable organization
- If you are a Thrivent member, contact your representative about supporting CAPS through an Action Team
- Check with your employer about donor matching
