November 2020

Thank you to our funders!

We were recently awarded a grant from Variety-The Children's Charity to support The Nest and received a donation from the Mid-Iowa Drug Task Force to support Crisis Child Care.

Keep up to date by liking us on Facebook and visiting our website!

Healthy Homes for the Holidays

It's time to start our Healthy Homes for the Holiday's donation drive! Healthy Homes is an annual event that helps CAPS stock up on supplies that keep families healthy throughout the year. If you are part of an agency, a local business, or a service group; get your group together and collect items or make it a fun competition!

Individuals and families are also welcome to collect and donate items! Please give us a call if you would like more details.

Happy Holidays!

In addition to these items, cash donations are also appreciated

As things continue to change....

Child Abuse Prevention Services is taking precautions to keep everyone healthy. Our building is currently closed to the public, but please know we are still here to provide assistance. At this time we have staff in the office Monday through Friday from 8:00 am to 4:30 pm. Families can continue to place Nest orders over the phone and pick up at the front door. If you have a donation for the agency please call us in advance and we are happy to make arrangements to meet you in our parking lot to assist with bringing items in to the building. If you have any questions please do not hesitate to call us. Thank you for your patience during this time.

Do you need a speaker?

We would love to share information about our programs with your service group or club! Please call us to discuss options. Ask for Linda or Nikki.

Building Renovations

Over the last few months the CAPS building has been getting a makeover! In an effort to make our building more energy efficient new furnaces and air conditioners were installed, we are in the process of getting new windows, and will also be getting a new sidewalk. These renovations are so important to keeping our business running smoothly, efficiently, and safely. This would not have been possible without the support of our community. We really are lucky to be part of such a supportive community.

Memorials

During the month of October CAPS was the recipient of memorials for Bonnie Urhammer and Shirley Lynch. We are grateful for the generosity of Bonnie and Shirley's families. These two women have shared their time and talent with CAPS for many years and we are honored to be named as the recipient of gifts in their memory.

Bonnie Urhammer

Shirley Lynch

Please welcome Julie!

Julie is our newest Child Development Specialist and will be visiting families in our community. We are so happy to have Julie on our team!
